Debt and Money Advice Caseworker – Welcome from the Director

Dear Candidate

Thank you very much for your interest in applying for the role of Debt and Money Advice Caseworker with Youth Legal.

Who we are

We are a registered charity with Charitable Incorporated Organisation status. We are based in Wandsworth and assist marginalised and vulnerable young people across London by providing specialist social welfare legal advice in a holistic and young person friendly manner. Our expert and experienced team provides legal advice and representation across housing, community care, immigration, and debt and money advice.

Our ambitions are to ensure:

- Young people have better access to high-quality legal advice when they need it.
- Young people are better educated and empowered through knowledge of their rights and responsibilities.
- Children and young people's rights are better respected and upheld by those in positions of power, particularly in relation to housing and social care.
- Law, policy and practice are improved to prevent young people's common legal problems from recurring.

What we can offer

- A supportive team and working environment, with hybrid working and a 10am start time.
- Training, support with career development and the opportunity to help shape the role.

- A consistent focus on staff wellbeing at team and Trustee meetings, and access to external therapy through an Employee Assistance Programme.
- An organisation committed to anti-racist and anti-oppressive practice and equality of opportunity.
- We are committed to our staff and prioritise a good working environment. We aim to ensure that everyone has the support and resources needed to carry out their work well in a friendly and collaborative team.

We encourage applications from suitably qualified and eligible candidates regardless of sex, race, disability, age, sexual orientation, gender reassignment, religion or belief, marriage or civil partnership, pregnancy or maternity.

In this pack you will find:

1. Job description, person specification and information on how to apply.
2. Application form.
3. Equality and Diversity monitoring form and policy.

If you would like an informal discussion about the opportunity, have questions about the appointment process or need additional information, please contact me at hannadunn@youthlegal.org.uk or on 07743 549 444.

Yours sincerely

Hanna Dunn
Director
