Working for Youth Legal

Youth Legal is a small, highly specialist charity supporting young people and families facing complex issues accessing social justice. We are values-led, impact focused and committed to providing support in a youth-friendly and accessible way.

Our vision is that all young people have their rights respected, can secure equal access to justice and achieve a successful transition to adulthood.

By joining Youth Legal, you can contribute to a making a real impact to young people's lives in a supportive and holistic working environment. In the last financial year:

We advised and represented exactly **300** people with their Housing, Community Care, Immigration and Debt issues

We prevented homelessness for **20** young people and families facing eviction with nowhere to go

We closed **79** cases with successful outcomes

94% of our clients were from ethnic minority communities

73% of our clients were aged 16 - 25
